

Mrs. Elizabeth H. Thompson, of Lillydale, N. Y., Grand Worthy Wise Templar, and Member of W. C. T. U., tells how she recovered from a serious illness by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am one of the many of your grateful friends who have been cured through the use of Lydia E. Pinkham's Vegetable Compound, and who can today thank you for the fine health I enjoy. When I was thirty-five years old I suffered severe backache and frequent bearing-down pains. I was very anxious to get well, and reading of the cures your Compound had made, I decided to try it. I took only six bottles, but it built me up and cured me entirely of all my troubles.

"My family and relatives were naturally as gratified as I was. My niece had heart trouble and nervous prostration, and was considered incurable. She took your Vegetable Compound and it cured her in a short time, and she became well and strong. I know of a number of others who have been cured of different kinds of female trouble, and am satisfied that your Compound is the best medicine for sick women."—MRS. ELIZABETH H. THOMPSON, Box 105, Lillydale, N. Y.

Thousands upon thousands of women throughout this country are not only expressing such sentiments as the above to their friends, but are continually writing letters of gratitude to Mrs. Pinkham, until she has hundreds of thousands of letters from women in all classes of society who have been restored to health by her advice and medicine after all other means had failed.

Here is another letter which proves conclusively that there is no other medicine to equal Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered with poor health for over seven years, not sick enough to stay in bed, and not well enough to enjoy life and attend to my daily duties properly. I was growing thin, my complexion was sallow, and I was easily upset and irritable.

"One of my neighbors advised me to try Lydia E. Pinkham's Vegetable Compound, and I procured a bottle. A great change for the better took place within a week, and I decided to keep up the treatment.

"Within two months I was like a changed woman, my health good, my step light, my eyes bright, my complexion vastly improved, and I felt once more like a young girl. I wonder now how I ever endured the misery. I would not spend another year like it for a fortune.

"I appreciate my good health, and give all the praise to Lydia E. Pinkham's Vegetable Compound."—MRS. M. TILLA, 407 Habershteen St., Savannah, Ga.
